

# Course for Ph.D. students

## 39<sup>th</sup> cycle (Nov 2023 – Oct 2026)

**Determination of protein structure  
( 1 ECTS )**

**Prof. Serena Faggiano**  
*University of Parma*

*Course language: English*

*Scheduling: 27-28<sup>th</sup> May 2024, 9.30-12.30*  
**Aula F, Plesso di Farmacia**

*To attend the course please contact:*  
**Prof. Serena Faggiano ([serena.faggiano@unipr.it](mailto:serena.faggiano@unipr.it))**

### **Course description**

The course will cover the basis of structural biology techniques (focusing on nuclear magnetic resonance and X-ray crystallography) applied to investigate protein structure and dynamics.
